

**CIVIL LIABILITY INSURANCE PROPOSAL
FOR GATHERINGS AND EVENTS OF MOTORISED LAND VEHICLES
(Decree n. 2006-554 of 16 May 2006)**

Company :
 Broker Name :
 Address :
 Zip Code :
 Town :
 E-mail :
 Telephone :
 Fax :
 ORIAS Code :

Only a very complete proposal, which must be accompanied by SPECIAL RULES or the OFFICIAL PROGRAMME of the gathering or event, can enable the insurers to appraise the risk at its true value and determine the premium.

Name of the organising club, association or committee :
 Address :
 Federation with which the association is affiliated :
 Name and title of the representative of the organiser signing this proposal :
 If the organiser (person or association) is not acting in his/its own behalf, name the co-organisers :
 If the gathering or even took place last year, what company insured it ? :
 Name given to the gathering or event to be insured :
 Indicate the specific site :
 For FFM and/or UFOLEP-affiliated clubs, the category of the gathering or event : regional, national, EUZ, international, etc :
 Planned date and time :
 Date of creation and frequency :
 Date and times scheduled for official trials, if any :
 Passengers are envisaged in the participating vehicles ? Yes / No

Trials planned during the gathering or event	Categories of eligible vehicles	Number of vehicles	Number of participants (if different from number of vehicles)

Number of individuals making up the organiser (art. 18 of the general conditions) and the various services designated below and number of vehicles used by them

Section	People	Vehicles
Organiser		
Medical service		
Fire safety service		
Police contingent (officers of the state)		
Police contingent, (any other government agency)		

Number and nature of aircraft used by the police contingent :

If the gathering or event to be insured is to take place entirely on a permanent course or one specially set up for the circumstance and closed to public traffic, attach to the proposal a large-scale plan of the course, indicating :

1°) The layout of the track, its width, nature of the surfacing, access routes and clearance routes reserved for spectators and those reserved for the security service;

2°) Placement of the stands with their distance from the track, the nature of their construction, their capacity, places reserved for the public aside from the stands, with their distance from the track, prohibited spaces, the nature of any permanent or special installations to protect the public (crash barriers, wire fencing, mounds of earth, walls, etc...) ;

3°) Placement of all fixed installations: bars, restaurants, etc... ; placement of refuelling stations, security service (firefighters, health service), the spectators' parking lot and the competitors lot.

If the gathering or event is to take place entirely on the road with trials involving private use of a public right-of-way, attach to the proposal a plan of that portion of the road on which the accessory trial will be held, mentioning :

The layout of the reserved road, its width, the nature of its surfacing, places reserved for the public and their distance from the road, prohibited spaces, existing natural protections, special protective installations that will be installed. If the plan described above has already be submitted to the insurers, attach to the proposal only a note specifying the modifications made in the security area since the last gathering or event of the same kind was held.

IN THE EVENT OF OMISSION, INACCURACY OR FALSE STATEMENTS, THE ANSWERS TO THIS PROPOSAL/QUESTIONNAIRE ARE SUBJECT TO THE SANCTIONS ESTABLISHED BY ARTICLES L 113 8 AND L 113 9 OF THE INSURANCE CODE.

The undersigned may ask the Company to notify it of and correct any information concerning it appearing in any file used by the Company, its agents, reinsurers and professional bodies.
